To Whom it May Concern,

Since 2011, I have hired and referred Olavi Naar and Current One Electric for residential and commercial projects (both new construction and existing, difficult electrical problems.) You will not find a more knowledgeable and detail-oriented company than Current One Electric, and Olavi's tireless Eastern European work ethic is a rare treat in Southern California. When I hire Current One, I know that jobs will get done the correct way, quickly, and at an affordable price. Do not hesitate to work with this company, you will not regret it.

Please feel free to call or email me if you have further questions.

Sincerely,
