To Whom It May Concern

It's my absolute pleasure to recommend Olavi Naar of CurrentOne.

I have hired Olavi for several jobs including for my office and my own house.

He is honest, dependable, and incredibly hard-working. His knowledge and expertise in electrical is the reason several of my sales partners have use his services as well.

Without a doubt, I confidently recommend Olavi. Please feel free to contact me at 818.468.2228 should you have any questions. I'd be happy to expand on my recommendation.

Best wishes,
